HAMPDEN TOWNSHIP FACILITY RESERVATION POLICY

All individuals or groups who desire to reserve township facilities are required to comply with the following guidelines.

Application Procedure

1. All persons or groups requesting use of Township-owned facilities must submit a completed "Facility Reservation Application" or letter of request, along with the appropriate rental fee or deposit required to confirm the reservation.
2. Cancellations should be reported to the Township as early as possible. Rental fees, less non-refundable deposits, will be returned as long as the Township receives at least a two-week advance notice of such cancellation. Rentals unable to be held due to inclement weather will receive a refund.
3. The person signing the "Facility Reservation Application" is responsible for the condition of the facility and, completing the steps outlined in the Facility Clean Up Check List.
4. All requests shall be reviewed by Township staff and upon approval a "permit" will be issued as a confirmation of the reservation. Use of the facility shall be restricted to the terms specified on the permit issued to the group. Keys and/or equipment may be picked up on the day of the reservation at the Recreation Office between 7:30 a.m. and 4:30 p.m., Monday through Friday. Weekend rentals must pick up the key before 4:30 p.m. on Friday. All keys must be returned to the office by the next business day following the rental.

General Guidelines

1. All posted rules and regulations of the facility shall be applicable. All persons attending any activity within township facilities must park in the appropriate parking area. No persons are permitted to park in lawn areas, in the fire lane or in the areas designated as parking for emergency services personnel.
2. All persons using township facilities are responsible for cleaning the facility before leaving. Tables and chairs should be wiped off and placed in the location in which they were found. Lights and water should be turned off, and when appropriate, doors should be locked upon vacating the facility. If necessary, floors should be swept and/or mopped. All refuse must be gathered and placed in the proper containers. Cans and bottles are to be placed in recycle containers. No trash is to be placed in recycle containers. Refuse receptacles located inside buildings must be emptied and the bags placed in the proper dumpster outside the building. Refuse receptacles located outside will be attended to by township staff.
3. Consumption of alcoholic beverages is prohibited within all township facilities, with the exception of the Recreation Building Community Room and the Good Hope Station Community Room. Persons and/or groups reserving facilities and desiring to consume alcoholic beverages shall make known their intent on the application form not less than thirty (30) days before the date of use. Each application must be accompanied by a security deposit as determined from time to time by the Board of Commissioners. All of this deposit will be retained by the Township if the Facility Checklist procedures are not followed and/or repair of damage to the property is required. Damages to the facility and/or costs associated with cleaning of the rented facility in excess of the security deposit will also be charged to your rental. In the event no application is made for the consumption of alcoholic beverages and alcoholic beverages are found in the facility, a fine of up to \$400.00 will be assessed against the person or persons whose signature appears on the application form according to township ordinance. Under no circumstance may any person or group assess a charge for the alcohol consumed at the event.
4. All groups or persons reserving township facilities agree to assume responsibility and liability for any damage to property and/or injury to persons incurred through use of the facility and relieve and release the Township of any responsibility for such losses, damage and injuries. Certain groups that are associations and/or incorporated may be required to provide a Certificate of Insurance as proof of liability coverage for the current day/days use. This certificate shall be an original certificate and list the Township as the certificate holder and additional insured.

5. In scheduling facilities, township-related or sponsored activities will be given priority over all requests for use of facilities. Hampden Township Emergency Services Personnel activities will be given priority in the Sporting Hill Station Training Room. Emergency Services Personnel must provide notice and fill out a reservation form to guarantee availability. Previously booked rentals will not be rescheduled for the purposes of accommodating a Fire Company function. At least a two weeks prior notice is required when canceling rentals.
6. All groups or persons reserving township facilities wishing to include concessions or vendors as part of their scheduled event should notify the Township for approval in advance according to ordinance. All private vendors must register with the Recreation Department and may be required to possess a Hampden Township Solicitor's Permit and provide a certificate of insurance for township files. No parking is permitted in emergency zones.
7. Sporting Hill Station Training Room - Reservation is restricted to static educational/training programs and appropriate business-like activities. Use of the kitchen area, with the exception of limited beverage service, is restricted to emergency services personnel. Groups or individuals operating or attending programs located in this building shall be restricted to the lobby, training room, and public restrooms, unless accompanied by emergency service personnel.
8. The Township reserves the right to refuse approval of an application or void a reservation of an individual, family or group for failure to comply with this Resolution. The Hampden Township manager may promulgate specific rules and regulations for Township building usages as the Manager deems necessary, the violation of which may also result in the Township refusing to approve an application or void a reservation granted.
9. This resolution amends and supersedes all previous resolutions, addressing Hampden Township facilities reservations.
